# STYLE

United with precise manufacture, is not the least praiseworthy characteristic of the Optical goods I offer for sale.

\* \* \* \*

A thorough artistic sense is employed in the production, and among the numerous Optical Instruments displayed at my store, it will be easy to select one for any purpose requiring precision of manufacture and greatest purity of stones and metals, embellished with the most recent and faultless style.

\* \* \* \*

After 22 Years of practical familiarity with the production of the best Optical Instruments, which has made the reputation of a Metropolitan Optician, the undersigned who was also this Opticians' Manager, and was supposed by numerous of his prominent customers to be the Optician himself. I may cordially solicit your entire dependence on my ability to provide you with obviously superior goods.

\* \* \* \*

A thorough knowledge of the structure and needs of Eye enables me to afford to patrons the most satisfactory adaptation of glasses.

\* \* \* \*

Ladies and gentlemen are invited to write me, or call for minute information in regard to any glass, or other Optical Instrument they may need. They may be sure of being provided with the best products of the most reliable and artistic skill in my branch of manufacture.
